

Week 2 - A prayer for knowledge (Ephesians 1:15-23)

1. Complete the following chart based on Paul's prayer in 1:15-23

(Warning: This is Paul, don't expect this to be straightforward. You will have to think about what goes in each column. The middle column will be mostly your thoughts.)

What does Paul thank God for?	What's the connection?	What does Paul ask God for?

2. Compose a prayer of thanksgiving and petition for either yourself or the church.
